M. G Geraghty (Insurance Brokers) Ltd is pleased to have been selected as the Preferred Bloodstock Insurance Broker for the Hong Kong Racehorse Owners Association. Our services and client care have been specially tailored to fulfil the requirements of Hong Kong owners who have their horses training and racing in one of the most unique Thoroughbred racing jurisdictions in the world.

We are the only insurance provider in Hong Kong with a specialist bloodstock division, ensuring horse owners receive the best advice from knowledgeable Thoroughbred Industry Professionals. Our Director of Bloodstock Insurance, Dr Michael Hurley, is a Member of the HKROA and has over 30 years international veterinary experience working with the world's most elite Thoroughbred racehorses and trainers. Dr Hurley's experience includes twelve years as the Deputy Head of Veterinary Clinical Services at the Hong Kong Jockey Club.

Dr. Hurley exams a horse at an NZB Ready to Run Sale

Key products and features include:

- All Risks Mortality Insurance & Theft
- Limited Loss of Use Insurance
- Transit Insurance
- Fall of Hammer Insurance at all International Thoroughbred auctions
- Fall of Hammer insurance for the HKJC ISG Sale
- Agreed Value on all policies
- Worldwide cover for Hong Kong owners on all bloodstock holdings, including breeding stock and horses in pre-training and racing overseas
- Specialists in high value Thoroughbreds with a capacity of USD 10,000,000.00 per individual horse
- Veterinary advice and assistance for HKROA Members when purchasing racehorses overseas and attending Thoroughbred auctions
