MESSAGE FROM THE PRESIDENT

It is my great honour to be elected as the President of the HKROA for the year 2020-2021 to serve the Association and Members. I take much pleasure to again thank our Past President Mr Chew Fook Aun for his service and contribution to the Association over past years. A warm welcome to our three new Council Members, Mr Richard Chan, Mr Raymond Tsang and Mr Vincent Wong as well.

The year 2020 was a difficult and challenging year. Due to the continuous COVID-19 pandemic and the restrictions of social distancing, we had put our plan of events and activities on the shelf as to ensure public health. We appreciate our Members' kind understanding to the need for such preventive measures. Please be assured that we are closely monitoring the development and we will update our Members about our plans when the situation has significantly improved and the restrictions have been relaxed further.

Although we have been impacting and heavily disrupting by the pandemic, the HKROA Charitable Foundation has continued to carry out its charitable mission towards the community during the period. In view of the global shortage of medical masks associated right from the start of COVID-19 pandemic last year, the Foundation has sourced the surgical masks and sanitizers and donated to some community groups which had difficulty in acquiring the materials at that time. Meanwhile, the Foundation continues to fund a range of charitable projects which meet with the Foundation's

primary focuses as normal. In addition, the Board has passed to set up a Special Relief Fund Programme to provide fast-track grants to NGOs providing immediate relief work and services to the community groups being hit hard by crisis. This year, the Foundation aims to tackle the impact of COVID-19 pandemic and the first funding is made towards Food Angel for its "Birthday Delights for Deprived Elderly" programme to spread love and care to the elderlies during their birthday months. By granting similar kind of special funding, the Foundation hopes to support the community service organizations to deliver immediate essential services and transitional relief to those disadvantaged groups suffering from threats to promote the diversity and inclusion of community.

Lastly, on behalf of our Association, I would like to take this opportunity to sincerely thank The Hong Kong Jockey Club especially the Chairman, the Stewards and the management team for their dedication and all the hard-work to keep horseracing continuing in Hong Kong under the difficult and challenging situation of the pandemic. Positive responses were also received to recognize our feedback about various issues. We will continue to work closely together with the Club towards our mutual objectives of ensuring high quality of horseracing in Hong Kong.

Wish you all good health and we look forward to seeing you soon at our events in the not-too-distant future.

Matthew Lam

會長的話

本人非常榮幸能夠當選為 2020 至 2021 年度的香港馬主協會會長，為協會及會員服務。我藉此再次衷心感謝前任會長周福安先生於過去多年來的服務和所作出的貢獻。我們亦同時歡迎三位新任理事陳德華先生、曾向得先生及王賢訊先生。

2020 年是艱難且充滿挑戰的一年。鑑於持續的新型冠狀病毒疫情與及相應的社交距離措施，我們只可擱置協會的所有活動，以確保公共衛生安全。非常感謝各位會員對這些必要的抗疫配合措施的體諒。我們會密切留意疫情的發展，待情況有顯著的緩和及相關的防疫措施有所適度放寬時，我們將通告各會員有關本會的新動向。

一場突如其來的疫症，香港受到嚴重衝擊，大家都深受影響，手足無措，但香港馬主協會慈善基金仍然持續履行慈善使命，幫助有需要的社群。在疫症爆發初期，因應全球外科口罩嚴重短缺，慈善基金努力尋找貨源並成功購得口罩及消毒用品捐贈予一些慈善團體，以紓緩社區基層的壓力。與此同時，慈善基金亦如常捐助合乎資格的慈善項目。此外，慈善基金

董事局亦通過成立一項特別援助金計劃，透過靈活快速的批核機制，撥款予合資格的社福機構，讓其為受特別事故影響的弱勢社群提供適切的援助和服務。今年，慈善基金重點處理受 2019 冠狀病毒病影響的社區基層，而首項撥款已批核予惜食堂，贊助其「老友記生日會」項目，讓長者們在疫情下仍可慶祝生日，享受一盅兩件。慈善基金希望透過類似的特別撥款支援社區服務機構，向受嚴重危疾事故影響的弱勢社群提供適切服務和過渡性支援，讓社區各界多元共存共融。

最後，我謹代表本會衷心感謝香港賽馬會，特別是主席和各位董事及管理團隊在充滿挑戰的疫情下為確保本地賽馬能繼續舉行而作出的一切努力和工作；而期間本會所提出的一些反饋亦得到正面的肯定。我們會繼續與馬會緊密合作維持和推動本地賽馬的高水平。

祝各位身體健康！期待於不久之將來在協會活動上與大家再聚。

Started in 2019, WELL DUNK! is the first public-estate-based basketball league and training programme for youths in Hong Kong. This programme establishes basketball teams in public estates all around Hong Kong, and works with A1 Division Championship Basketball Team, Kin Lung Pegasus, to provide professional training for youths aged 13 to 17. The mission of this programme is to develop youths' positive character traits and to strengthen their sense of belonging to their community. In this season, WELL DUNK! has a total of 24 teams, one of which is the Lek Yuen Flyers sponsored by The Hong Kong Racehorse Owners Association Charitable Foundation.

In Hong Kong, basketball is a very popular sport. Basically, every housing estate and park has basketball courts, and it is very convenient for the general public to play at any time. However, when it comes to formal basketball training and competition, it is not as accessible as expected, especially for underprivileged youths. Take Chau Chun-hin (Jason) from Lek Yuen Flyers as an example. Jason loves basketball. However, he is not talented and has never had the opportunity to join the school team. In addition, Jason, who is from an underprivileged family, even wears a pair of second-hand basketball shoes with a worn sole which used to belong to his brother. Thus, even if he wants to participate in a basketball class, he couldn't quite afford it. Because of his background and the fact that Jason is the youngest player in the team, he felt very inferior when he joined the team and often called himself "rubbish". Fortunately, coach Angus understands the mission of WELL DUNK! He took care of Jason and gave him plenty of opportunities to play in competitions. Jason was overjoyed and surprised. Coach explained "Players' growth is far more important than match results, so no one should be deprived of the chance to play simply because they are not as skillful as others."

Other than the coach, other teammates also love this "little brother", especially the team's "big brother" Lam Hei-yiu (Ivan). Jason even said Ivan took care of him as if he was his biological brother. 18-year-old Ivan has a completely different background from Jason. Ivan is a player of the Diocesan Boys' School basketball team. Due to the COVID-19, the inter-school Basketball Competition has been suspended indefinitely. In order to get more competition opportunities, he participated in WELL DUNK! Another reason is that Ivan wants to learn to be a leader. Even in the school team, Ivan is

one of the most experienced players and has to take on the important task of supporting younger players. Nevertheless, there may not be much room for him to grow in other aspects apart from the technical level in a traditional elite team.

Talking about the most remarkable match that the two have played together, it is a friendly match held at the South China Athletic Association in November 2020. At that time, Jason had never participated in a formal five-on-five basketball game, and he performed very nervously throughout the game. Ivan, who is experienced in competition, kept encouraging Jason. At the end of the match, the game was deadlocked. Ivan was dribbling and attempting to initiate an attack. However, the opponent was keeping a tight defence, and there was no way to score. Only Jason, who was considered to be the least threatening player, was wide-open. At that moment, Ivan decided to pass the ball to Jason. After receiving the ball, Jason was dumbfounded, hesitating what to do next. Ivan shouted "Shoot!". Jason mustered up his courage and made a mid-range shot. The shot became the game-winner! The whole team shouted with excitement! More dramatic is that a lucky draw was held after the friendly match that day, and the prize was a pair of training shoes. When the winner was announced as Jason, the whole team cheered for him.

Jason undoubtedly got his confidence boosted after the match that day, and learned that his persistence would be rewarded. On the other hand, Ivan's growth is also gratifying. The coach said that based on his acquaintance with Ivan, he thought Ivan would be impetuous at the last moment and recklessly push through with his own ability. However, he chose to trust his teammate and calmly made the most appropriate decision. Moreover, he gave confidence and courage to Jason when he needed it the most, demonstrating great leadership. Other than youths who lack opportunities due to their talents or financial reasons, it is really unexpected that a student from an elite school team can also show this much improvement in the WELL DUNK! Programme.

由凝動香港體育基金主辦的《WELL DUNK!》計劃是全港首個以屋邨為單位的青年籃球聯賽及訓練計劃，於 2019 年首辦。計劃在全港各區不同公共屋邨籌組青年籃球隊，並與甲一球隊「建龍飛馬」合作，為 13 至 17 歲的青年提供專業籃球培訓，希望藉此培養青年的正面特質，並加強他們對所住地區的歸屬感。《WELL DUNK!》今個球季共有 24 支球隊角逐，其中以瀝源邨為主場的球隊「瀝源飛俠」正是由香港馬主協會慈善基金冠名贊助。

籃球在本港算是一項非常普遍的運動，基本上每個屋苑和公園都有籃球場，普羅大眾隨時都可以到「街場」打球。不過若說到正規的籃球訓練和比賽，其實又並非想像中般普及，尤其對基層青年而言，這些機會更加難得……就以瀝源飛俠的周駿軒同學為例，駿軒熱愛籃球，奈何天份不高，一直沒有機會加入校隊。再者，家境清貧的駿軒連籃球鞋都是穿哥哥那雙鞋底幾乎全磨平的舊鞋，所以就算想參加坊間的籃球班亦負擔不來。

基於以上背景，加上駿軒本身又是隊中年紀最小的學員，他甫入隊已經感到十分自卑，經常說自己「廢」。可幸的是，教練 Angus 很理解《WELL DUNK!》計劃的理念，所以對駿軒呵護有加，更給予他充足的上陣機會。這一點連駿軒都喜出望外，教練則表示：「球員成長遠比比賽果重要，所以不會因為球員技術略遜一籌而剝奪他們出賽的機會。」

除了教練，其他隊友亦很愛護這位「小弟弟」，尤其是陣中的「老大哥」林熙耀，連駿軒也說他猶如自己的親哥哥。18 歲

的熙耀背景與駿軒截然不同，熙耀本身是拔萃男書院校隊成員，因疫情關係學界無了期暫停，為了得到更多比賽機會，於是參加《WELL DUNK!》計劃。另一個原因是熙耀想學習成為一位領袖，即使在校隊內，熙耀都是資歷最深的一群，開始要擔起扶持後輩的重任，但本身屬於學界精英的另類，未必有太多空間讓他在技術層面以外成長。

說到二人合力炮製的代表作，要數 2020 年 11 月於南華會舉行的一場友誼賽。當時駿軒從未試過參與五對五（俗稱「打全場」）的正規籃球賽，全程都表現得戰戰兢兢，大賽經驗豐富的熙耀則不停鼓勵駿軒。至比賽末段，戰況膠著，熙耀引球推進策動進攻，但對方嚴密佈防，攻方無從入手，唯獨是全場實力最弱的駿軒無人看管。此時，熙耀決定將球傳給駿軒，駿軒接球後驚惶失措，呆若木雞，熙耀大喊一聲：「射吧！」，駿軒於是鼓起勇氣，作一記中距離投射，結果球進了！駿軒絕殺了比賽！全隊興奮不已！更加戲劇性的是，當日的友賽還安排了抽獎，獎品正是一對球鞋。當公佈得獎者為駿軒時，全隊上下一同為他歡呼，為駿軒的勝利而喝彩。

當日的比賽無疑為駿軒打下了一支強心針，令他看到堅持就會有回報的希望。另一方面，熙耀的成長同樣令人欣慰。教練表示，以他對熙耀的認識，在最後一刻以為熙耀會心浮氣躁，然後靠個人能力硬闖，但他竟然選擇相信隊友，冷靜地作出了最合適的決定，還在隊友最怯懦之時給予信心和勇氣，盡顯領袖風範。真想不到，除了本身因天資或經濟原因缺乏機會的青年，連出身於名校校隊的學員，也能在《WELL DUNK!》計劃之中得到成長。

40th Anniversary Social Inclusion Around the City Project

Founded in 1979, Wai Ji Christian Service is a voluntary agency providing rehabilitation services to people with intellectual or other kinds of disabilities. The services provided include residential care, rehabilitative and vocational training, community support and others.

Thanks to the support and sponsorship received from The Hong Kong Racehorse Owners Association Charitable Foundation, the Agency carried out a 40th Anniversary Social Inclusion Around the City Project in 2019. The project consisted of four programmes, namely Football Fun Day held in Yuen Long, Big Wild Camp held in Sheung Shui, "Life is Wonderful" Carnival held in Tseung Kwan O, and a life stories collection published by two service units of the Agency located in Sham Shui Po. Through football exercise, wild camping, performances and art activities in a carnival, and a sharing of life stories, people with disabilities and their family members were facilitated to participate in the community and get in touch with the general public, which helped to increase public concern for the needs of people with disabilities as well as their carers and promote a harmonious and inclusive society.

Football Fun Day

On the Football Fun Day, people with intellectual disabilities and their parents, together with students and volunteers, had football training and friendly football matches in the presence of famous retired football players including Mr Leslie George Santos and Mr Chan Fat Chi. The spirit of sportsmanship and equality between people with and without disabilities were realized by the specially designed training and match regulations.

Football Fun Day
足球同樂日

Big Wild Camp

People with intellectual disabilities and their parents went camping with students and volunteers in the wild. They got along and helped one another in the natural environment. The students and volunteers gained a deeper understanding of people with intellectual disabilities and their parents.

"Life is Wonderful" Carnival

The performances, booth games and exhibition in the carnival brought the needs of people with intellectual or other kinds of disabilities to the attention of members of the community. Hundreds of neighbourhood participated in and enjoyed a fun day together.

Life Stories Collection

A group of secondary school students interviewed some people with intellectual disabilities and their family members on their past experiences for the publication of a collection of life stories. The objectives of this programme were to enable teenagers to learn what people with intellectual disabilities and their carers had gone through in their lives, to induce concern and encouragement among both parties, and to promote a positive attitude towards life.

The Agency would like to express its thankfulness to The Hong Kong Racehorse Owners Association Charitable Foundation again for its generous support and sponsorship, which have enabled the above project to be implemented and the notion of social inclusion and equality to be spread in the community.

四十周年 「共融遍全城」計劃

基督教懷智服務處自 1979 年成立，是專為智障及殘疾人士提供復康服務的志願機構，服務內容包括住宿照顧、復康及職業訓練、以及社區支援等。

感謝香港馬主協會慈善基金支持及贊助本機構於 2019 年舉辦的「四十周年共融遍全城」活動計劃，計劃內容包括元朗區「足球同樂日」、上水區「野外大露營」、將軍澳區「活得精彩嘉年華」、及深水埗區「生命故事分享集」，透過殘疾人士參與足球運動、野外露營體驗、嘉年華會表演及藝術活動、以及生命故事分享活動，推動智障人士及其家人參與社區活動，讓社區人士有機會與智障人士及其家人接觸及交流，引起社會關注殘疾人士及照顧者的需要，促進社會和諧共融。

足球同樂日

當日邀請本港足球名宿山度士和陳發枝等，與智障人士、家長、學生及義工等，進行足球訓練及友誼賽，透過特別設計的訓練及比賽規例，體現傷健平等及發揮體育精神。

DENMAN

Hot King Prawn, winner of this season's Group 1 The Centenary Sprint Cup, is sired by DENMAN, whom was a proven successful stallion in Hong Kong racing. DENMAN himself was Group 1 Golden Rose Stakes winner over 1400m before retiring in 2010. Although DENMAN was not a top stallion in Australia, his progeny have thus far performed well in Hong Kong. Out of 17 imports to Hong Kong, 12 of them have scored at least once. Effectively this provides a winner/runner ratio of over 70%, a respectable

figure and as good as many top stallions. In general, DENMAN's progeny are physically strong with high class speed and good temperament well suited for Hong Kong racing. His progeny's average yearling auction price in the past years is below AU\$60,000 offering excellent price performing ratio considering the strike rate.

If you have a chance to go to auction in Australia in the future, you may keep an eye out on DENMAN's yearlings.

DENMAN
登龍門

這次介紹的是香港其中一匹頂級短途馬旺蝦王的父系--登龍門，此父系是在香港的賽馬中得到高成功率的一員。登龍門本身是一級賽金玫瑰錦標 (1400m) 的盟主，於 2010 年退役後開始配種。雖然在澳洲並不是頂級種馬，但來香港的大部分子嗣都能交出理想成績。在香港歷來出賽的 17 匹子嗣當中有 12 匹已摘取頭馬，能夠有七成馬匹交出佳績，這個數字足可媲美其他享負盛名的種馬。登龍門雖然未出產過馬王級的賽駒，

但不少子嗣都能在香港中港賽事中站穩陣腳。大部分出自此血統的賽駒普遍都性格溫馴，體格壯健，並擁有一定的速度，十分適合香港的競賽環境及賽事模式。其子嗣於過去幾年的周歲馬匹拍賣價平均在六萬澳元以下，是高性價比的考慮之列。

如果各位馬主將來有機會到訪澳洲的拍賣會挑選馬匹，不妨留意一下登龍門的子嗣。
